Namaste! My Guardian,
in Sweden.

I am fine and humbly hope you are also fine there. I am Bishnu Shrestha, studying in Grade 10. Our new session has started from may. This year is very important year in our life. We have to cross iron gate by getting good marks to make our future bright. We must do hard work to fulfill our desire. So, my dear guardian, I am also doing hard^{work} to get success in my aim. We have class from morning to evening and also we do hard labour in the home as well.

Anyway, Your support has been great and fruitful for me. I have got free school fee and I need not to pay school fee. Also, I got a beautiful bag to keep my book safely. We have summer vacation for 2 weeks but, we have to come school in 6:00 am and stay there and read for atleast 3 hours. Bishnu Madam stays in school and handle all our food and classes all well.

We have helpful, co-operative and beautiful teacher. They teach us very well as well they love & care us in every moment. So, I am so much proud of my school and more to Jagat Sir and Bishnu Madam. My living place is not so far from my school and I am live with my parents with happily.

We study different subject upto Grade 10. But after board exam, we study our choosed subject for our future. I want to be a doctor in future.

At last, thank you so much for your great help and support in my study.
