SUSHMITA ADHIKARI

Namaste! my guardian.
in Sweden.

I am fine and humbly hope you are also fine there. I am Sushmita Adhikari studying in Grade 10. Our new session has started from May. This is the year, we have to study hard and try to score good marks. We must study very hard from morning to evening. We stay 12 hours in school.

Anyway, your support has been fruit from for me - I have got free school fee. I need not to pay school fee. We had summer vacation for two weeks. But, we were in school for three hours at least. Now, I come school at 6:00 AM and study up to 6:00 PM. So, no more free time for us, we have no time to do other works. We have to speak in English language with teachers and friends. Bishnu Madam stay in school and handle all our foods and classes as well. All the teachers are so frank and co-operative. They teach us very well. They love and care and teach us very good behaviour. So, I am proud of my school. My living place is not so far from home school. I live with my grandparents. Anyway, thank a lot for such a beautiful ~~fr~~ bag. I keep books and copies in this bag.

We study different subjects upto Grade 10, but after board exam, we study our choosed subriat for our future. I like to be a good engineer in future.

At, last, thank for your support.
